- **CSCC General Education Requirements**: Students should choose the General Education courses for the AA degree in consultation with their academic and faculty advisors.
- **OSU General Education**: How a student completes these requirements will vary, depending on how he or she chose to complete the General Education requirements at Columbus State. Any General Education requirements not completed at Columbus State will need to be completed at Ohio State. Students should consult with Andréa Severson (severson.10@osu.edu) in the College of Social Work, 306 Stillman Hall, to discuss appropriate and optimal course selections for General Education, electives, and the major.

- **Required Pre-Major Coursework**: Biology 1112 (1102 at OSU); English 1100 (1110 at OSU); Mathematics 1075 or above, or OSU math placement of R or higher; Psychology 1100; Social Work 1000 or equivalent, 1120, 1130, 1140; and Sociology 1101.

- ****Social Work 1140 through HECC Cross-Registration:** HECC: Higher Education Council of Columbus Cross Registration Program Cross-registration enables a full-time undergraduate student attending any HECC home institution (where the student is registered full-time), who wants an enriched educational experience, to register at another HECC member host institution (where the student would like to take a cross-registered course), on a space available basis, for certain credit courses not available at the student's home institution. See the following website for program details: http://www.cscc.edu/services/recordsandregistration/hecc.shtml . If these courses are not completed through cross-registration and you want to stay on a four year plan, you should take them at OSU in the summer following the second year at CSCC. The pre-major coursework must be completed before starting the major.

- **Admission to the Social Work major:** Students must apply to and be accepted to OSU as an undergraduate student. In addition, students are required to submit a separate application for admission to the Social Work major (Social Work major application) while completing the required pre-major courses and have a cumulative grade point average of at least 2.0 and a minimum 2.0 on the required pre-major courses (subject to change) and demonstrate personal and professional readiness to work with clients, consistent with the National Association of Social Workers (NASW) Code of Ethics.

- Deadline to apply to the major varies each year. Please see the OSU College of Social Work website (http://www.csw.ohio-state.edu/degreeprograms/bssw/apply/index.cfm) for details at the start of autumn semester of the year prior to you beginning courses in the major. Applications received beyond the deadline will be considered if space permits. Conditional admissions will be extended if pre-major coursework is in progress.

- **Licensing Requirements:** States legally regulate the practice of social work to protect the public and control the use of the social work title and practice. Each state defines by law what is required for each level of social work license. Graduates of Ohio State's social work program are well prepared for the bachelor's level licensure exam. In 2010, 100 percent of Ohio State students passed the exam on their first attempt, compared to the national average of 78 percent. Both Ohio State's BSSW and MSW programs are accredited by the Council on Social Work Education (CSWE).
