- **CSCC GEC Requirements**: Students should choose their AA degree GEC courses in consultation with their academic and faculty advisors.
- **OSU General Education Requirements**: How a student completes these requirements will vary, depending on how he or she chooses to complete the GE requirements at Columbus State. Any General Education requirements not completed at Columbus State will need to be completed at Ohio State. Elective course work, if selected appropriately, can be used to pursue a minor or public affairs track. Students should consult with a Glenn School advisor, 110 Page Hall (292-8696), to discuss appropriate course selections for General Education and to consider options for effective choice of electives.
- Students who, without an extended delay, continue with a language they have taken in high school are usually able to complete the foreign language requirement, which is satisfied by the third course in the language (1103), with fewer than three courses. Students wishing to pursue courses in a foreign language not offered by Columbus State should consult with their Columbus State

advisor about what courses to take at Columbus State while waiting to complete the requirement at Ohio State. All students completing the BA or BS degrees at Ohio State must complete the foreign language requirement.

- The Public Affairs major consists of 27 hours of core requirements plus 15 hours of either a public affairs specialization or an approved minor. Students should consult with their advisors regarding the selection of a specialization track or minor.
- **Public Affairs 4010 and 4011** can either be taken in Columbus or in Washington, D.C. as part of the Washington Academic Internship Program. Students electing to participate in the Washington Program will adhere to a different curriculum structure and should consult with an advisor from the Glenn School regarding the selection of courses.
- No Columbus State courses will count as core requirements for the public affairs major without advisor approval. Courses taken at Columbus State may possibly count as requirements for a policy track or minor, pending advisor approval. Students are encouraged to complete General Education courses at Columbus State prior to transferring to Ohio State and should consult an advisor in the John Glenn School of Public Affairs with questions.
- The Bachelor of Arts in Public Affairs degree requires a minimum of 121 semester hours.
- Further information about the Bachelor of Arts in Public Affairs is available at the following link: http://glennschool.osu.edu/undergraduate/index.html
