- **CSCC General Education Requirements**: Students should choose the General Education courses for the AA degree in consultation with their academic and faculty advisors.

  ***See list following OSU notes for specific course choices for these categories.**

- **OSU General Education Requirements**: How a student completes these requirements will vary, depending on how he or she chose to complete the General Education requirements at Columbus State. Any General Education requirements not completed at Columbus State will need to be completed at Ohio State. Elective course work, if selected appropriately, can be used to pursue a minor. Students should consult with an academic advisor in the department of the intended major to discuss optimal course selections for General Education, effective choice of electives, and appropriate course selections in the

  major. Students can find the list of Arts and Sciences advisors by major, including contact information, at

http://ascadvising.osu.edu/programs/majors.

- All programs in the College of Arts and Sciences require a minimum of 121 semester hours, including a minimum of 39 hours at or above the 3000 level.

- Students pursuing the BA must take at least 10 semester hours of Natural Science course work, with at least one course in the Physical Sciences, at least one course in the Biological Sciences, and at least one course with a laboratory component.

- Students must take at least two courses in the Social Sciences; the two courses must not be from the same General Education subcategory. See the latest Arts and Sciences BA curriculum sheet for more details.

- For the Literature and Arts categories, no more than one course across the two categories can be from the area of the major. For the Social Science category, no more than one course can be from the area of the major. The General Education Literature, Arts, and Social Science courses cannot be counted as part of the major.
